

NEEDS YOUR HELP IN SPONSORING THE

3RD ANNUAL

POPEYE TOY RUN

LIVING THE DREAM

DECEMBER 11, 2010

LONG BEACH, CA

In a collaborative effort with the non-profit organization Beach City Foundation Inc., various motorcycle clubs from Long Beach & surrounding communities plan to bring "holiday cheer" to the children of the Martin Luther King Center (MLK) with the joy of GIVING for the 3rd Annual Popeye Toy Run on December 11th, 2010.

MLK Center is the multi-cultural headquarters for several youth focused organizations, including Boys & Girl Club, YMCA, Weed & Seed, and LBUSD Child Development Center.

These organizations share the worthwhile mission of helping children overcome adversity and at-risk conditions by assisting them in obtaining skills while discovering their inner potential for success.

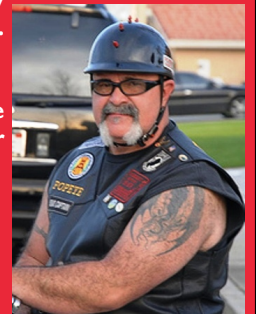

The Popeye Toy Run give-away is now a very important part of this community. Each year, the event grows as does the need for more sponsors and donations. Last year we provided over 600 children with toys, meals and fun activities. With our current economy, this year we expect to see more families and we need your help to continue this "Living the Dream" community initiative.
