

CF Dance Academy

Cecchetti Classical Ballet Program Uniform

**Grooming is a very important part of your dancer's classical ballet training.
Please follow these requirements for your weekly classes:**

- Girls must pull hair off of face and neck and into a secure bun. If the class is early in the afternoon then it is recommended that you send your dancer to school with hair in a bun. Your teacher should not take class time to assist with dancers hair.
- All watches and jewelry need to be removed before the class, otherwise they can cause discomfort when moving. Small "stud" earrings are permitted.
- Boys hair must be neatly styled.
- Ballet attire is similar to swim suits, undergarments are not to be worn under leotards and tights. Ballet clothing and shoes should fit like a glove in order for your teacher to make appropriate adjustments and corrections. Dancers should never "grow into" their ballet shoes and clothing.

- In the winter months, dancers are permitted to wear dance sweaters, CF sweaters/jackets and leg warmers to class.
Girls: Leotards must be purchased through motionwear.com or at CF Dance Academy in order to ensure that you have purchased the correct style and color. If your size is not in stock at CF Dance please place an order with the office. Your leotard will arrive in 7-10 business days. Revolution tights are available at CF Dance only. Body Wrappers tights can be purchased at either CF Dance or Discount Dance Supply. Shoes can be purchased at Discount Dance Supply.

Boys: Please see the bottom of this form for your uniform information.
