CF DANCE ACADEMY POLICIES

TUITION AND PAYMENT POLICIES

- Tuition is due the first week of each month.
- The tuition rates are based on an 4 week month and prorated when certain months have less or more than 4 classes. A \$10.00 late fee will be added to all tuition not paid by the 10th of each month.
- CF Dance staff reserve the right to not allow students to take classes at CF Dance Academy when tuition is past due (not paid in full by the 10th of each month).
- An annual registration fee of \$20.00 per student will be charged to your account and will cover your registration from September 2016 – August 2017. New summer 2016 student's registration will apply to September 2016 registration fees.
- Tuition is based on enrollment not attendance. Make up classes are available and need to be scheduled under the supervision of the directors. Please contact them for assistance. Summer Session is the only time we pro-rate tuition for absences due to vacation, but these absences must be logged with the Office Manager upon summer registration.
- Please provide written or emailed documentation should you decide to drop your dancer from any or all classes.
- A minimum of 8 students must be registered for a class before instruction of that class can begin. Some exceptions and arrangements may be made by CFDA DIRECTORS.
- We accept check, money order, cash, Visa, MasterCard, Discover. There is a \$25.00 fee for all returned, NSF or stop-payment checks.
- There are no refunds and no adjustments for missed classes, except for long periods of time with arrangements made in advance. Please provide written or emailed documentation.
- Siblings are granted a 5% discount off of each student's monthly tuition.

PARENT OBSERVATION POLICIES

Parents and other family members are permitted to observe classes during the first class meeting of each month only.

In our 32 years of teaching children, we have found that allowing your child to have the teacher's full attention will greatly increase your child's learning abilities. You will find that your child will retain classroom curriculum better and be less distracted during class time. This is especially true for the age groups of 2.5—8 year olds.

If your child has special health needs, please discuss this with your instructor. If you have any other questions or concerns regarding our parent observation policy, please discuss with your instructor or contact one of our directors. Thank you for your support!

CF DANCE ACADEMY PAPERLESS COMMUNICATIONS

Beginning September 2016, CF Dance will be dramatically reducing our use of paper to communicate with parents and students and will be emailing all communication to parents instead of using class handouts. Please make sure you have your most recent email account on file with us and check your inbox regularly for email communications sent out by us (at least twice a week). You can also like our CF Dance Facebook page and visit our website for CF Dance news and events. Thank you for helping us reduce our impact on our planet!
